## Product Care

- **DO NOT USE** cleaning products, oils, and other polishes as they may cause permanent damage.
- Regular gentle care and maintenance will preserve and extend the life of your product.
- We suggest cleaning weekly, remove dust with a dry soft microfibre cloth, a damp microfibre cloth may be also be used for tougher areas.
- We recommend only using water.
- Do not leave moisture, cleaning products, or solutions on the surface of our products as they may erode the lacquer.
- We recommend wearing gloves when installing and cleaning your products.
